
THE WILDCAT SANCTUARY

Memorial Marker Order Form

Each one of the cats who have come to TWS had a story to tell. You can keep their message alive by remembering them in our planned reflection trail with a memorial marker that includes their photo, dates of birth and death, and your name as their forever sponsor. These markers are 8 x 8 inch black marble with the photo and text engraved by laser so it will never fade. For a donation of $250.00 you can have your name added as the forever sponsor or it can include an in honor or memory name. Due to the size limit of the marker, we can only accommodate 50 characters. Leave a space blank where needed for spacing.

A photo of your plaque will be emailed or mailed to you once it is created. Thank you for ensuring each cat's legacy lives on.
